

Express Employment Professionals is the #1 Staffing Franchise in a \$648 billion global industry.

By joining a highly successful, 40-year brand, your client can leverage their experience to match local businesses with qualified employees seeking work. Along the way, they'll find the work-life balance they're seeking and the potential to earn the income they deserve. Owners in our business are driven by big ambition, with new offices averaging \$1.3M in annual gross sales during their first year and \$6.4M after five years. With strong corporate support, extensive training, and continual innovation, our owners have all the tools they need to launch and grow a successful business.
