

Express Employment Professional is the #1 Staffing Franchise in a \$650 billion global industry

Founded in 1983, Express has more than 40 years of industry-leading experience. Our business is stable, recession-resilient, and growth oriented. Backed by our support and guidance, your clients can leverage their career experience and business leadership skills to help match local businesses with qualified employees seeking work. In the process, they'll discover the work-life balance they've been looking for as well as the opportunity to earn the income they deserve. Our owners are driven by big ambition, averaging more than \$1M in gross sales in their first year, and territories open for more than five years average \$5.7M in annual sales. Backed by strong corporate support, comprehensive training, and ongoing innovation, our franchisees have everything they need to launch and grow a business that is built to last.
